Used Tanning Equipment

Suncapsule Euro Series

CATALOG PHOTO

This Suncapsule Euro Series tanning booth has (48) 160-watt, VHR lamps. It is in excellent used condition, and is available with or without the dressing room (shown). The maximum tanning time is (12) minutes. It has ceiling speakers with volume control. Wall panels are bright white with grey steel supports. This booth is a money maker. The price of \$6550 includes delivery and setup. Also included is a one-year parts and labor warranty (excludes lamps). Two matching booths are currently available.
